

Aloha 2014 Marching Band Parents! As the band grows and we continue to look after the safety of all students, the policy of deviations from group travel is under reconsideration by the upper Punahou administration. There are slight changes now and there may be more after continued discussion. Misunderstanding this form and the information contained has been a growing concern since the policy was started in recent history. Please read and understand all sections prior to signing.

This form constitutes a transportation release for **ALL** Punahou Band events at Aloha Stadium. Signing the form will release Punahou Bands from transporting your student back to campus at the conclusion of each event. This form is only for those parents who desire to pick up their student after EACH MARCHING BAND event instead of having the student return to the school. Please read and initial that you acknowledge the following rules:
